Your \$_____ annual membership contribution to Summit County Off Road Riders (SCORR) is a tax deductible contribution to a 501(c)3 non-profit organization. SCORR is organized for rider education and works in close cooperation with the US Forest Service and Summit County governments to protect, promote, manage and preserve off-highway motorized trail riding in Summit County, Colorado.

You can help SCORR in two ways:

- 1) Stay knowledgeable about local trail use guidelines and be responsible when riding, particularly around hikers, mountain bikers and equestrian riders.
- 2) Volunteer to help with trail maintenance and other organizational activities.
